ABSTRACT

This directory for literacy workers and adult educators lists universities and institutes that offer training programs to literacy personnel in four geographic regions of the world. The directory contains four sections which are organized alphabetically by geographic region, by countries within each region, and by universities and institutes within each country. The four regions covered are Africa, Arab States, Asia and Oceania, and Latin America. Each of the seventy-three entries contained in the directory include some or all of the following: name and address of the university or institute, faculty or division, educational programs, research programs, additional information, and contact person. (For a directory listing organizations which offer training programs, see CE 014 886.) (EM)

PREFACE

This directory has been prepared upon the request of and in co-operation with the Literacy and Rural Development Division, Unesco. It lists universities and institutes that offer training programmes to various categories of literacy personnel. Its purpose is to promote the exchange of information between professionals and practitioners.

Objectives

1. To identify those universities and institutes of higher learning which offer courses and training for personnel in adult literacy education, adult basic education and non-formal education
2. To obtain a sampling of course descriptions
3. To inquire about research being conducted within faculties offering course work in adult literacy education
4. To assess the contribution such agencies feel they are making in the field of adult literacy education.

Information Arrangement

The information obtained from the completed questionnaires has been arranged under seven heads:

1. Name of university/institute
2. Address
3. Faculty or division
4. Educational programmes
5. Research programmes
6. Additional information
7. Contact person

Directory Organization

For the convenience of users the directory has been organized as follows:

- Division of entries into geographical regions: Africa, Arab States, Asia and Oceania, Latin America
- Alphabetical order of countries within each region
- Alphabetical order of universities and institutes within each country.

For any ommission or modification in the information please write to:

The Director,
I.I.A.L.M.,
P.O. Box 1555,
Tehren, Iran.

The IIALM wishes to thank all the universities and institutes which responded to our inquiry.
